

# Together, **we** believe in your small business.

**Finance solutions for minority and women-owned small businesses.**

At TCF we're committed to building strong communities. And that starts with building stronger small businesses that are the cornerstone of our neighborhoods. Every business deserves a bank that supports it. That's why we offer products to help minority and women-owned small businesses grow and thrive.

## The benefits of flexible lending options:

- Lower monthly payments
- No bank origination-assessed fees
- Lower interest rates
- Lower down payment on equipment

## Who can apply?

A business that is at least 51% minority or women-owned, operated, controlled and actively managed by an individual group. Loan and revenue size apply.

## Let's see what we can build together.

Our local and knowledgeable team will help you through the process and answer any questions so you understand your options. Speak with a banking center manager to learn more.
